

CAAT TRAINING RISK ASSESSMENTS

Risk	Impact (1-5)	Control Measure(s)
SPORTS HALL/GYM		
Danger posed by athlete carrying an injury prior to session.	5	Ask athletes if anyone is injured or not well. Encourage parents/carers to inform coaches.
Danger posed by other sportshall equipment	5	Sports halls potential hazards should be removed or coned off or warned to keep away e.g. netball posts, climbing equipment, etc.
		Athletes should be told not to use equipment that is not part of the planned session e.g. do not climb on walls or mats, don't play football, basketball, etc.
Risk of injury from undertaking planned activity.	5	Lead coach(es) should provide clear briefing to all coaches and helpers.
		Coaches/helpers should brief all athletes before undertaking the activity.
		Athletes not undertaking activity (e.g. waiting their turn) need to be given clear direction as to what they should be doing.
Slippery floor area (risk of fall)	5	All drinks to be left outside the adjacent green barriers. All spills to be wiped up immediately.
		Clean indoor shoes to be worn in hall area.
Unsolicited photographic images being taken at training sessions.	3	No phones, tablets or cameras to be used in Sportshall without permission from Lead Coach (es).
Risk of collision with people, equipment or other hazards.	5	Non-athletes must stand outside of hall area being used.
		Training areas should be coned off if risk of collision with athletes or equipment.
		Athletes must follow direction of coach(es) at all times.
