1 The Club and Its Purpose

The club is called Chorley Athletic and Triathlon Club, and is known as '*Chorley*'. It is affiliated to UK Athletics, Northern Athletic Association, Lancashire Athletic Association, British Triathlon Federation, Fell Runners Association and to any other athletic / sporting bodies as the Management Committee considers appropriate in order to carry out the objectives of the club. *Chorley* caters for:-

- track and field athletics
- road and trail running
- cross country running
- fell and hill running
- triathlon
- walking
- other athletic/sport multi event races defined by national governing bodies

Chorley is a charitable organisation formed to pursue the objectives stated in section 3 with no members being entitled to any private gain or profit.

2 Club Colours

Chorley colours are black, white and red stripes with the Chorley Borough emblem on the front of the vest.

3 Objectives

The objectives of *Chorley* are:-

- a) to foster and promote athletics within the club and its community, recognising inequalities and taking steps to address them;
- b) to provide coaching in aspects of athletics to club members and also members of the community including schools and groups where agreed;
- c) to provide opportunities for athletic/sporting recreation and competition;
- d) to organise teams to represent *Chorley* in championships, leagues and in such competitions as the Management Committee shall decide.

4 Membership and Members' responsibilities

Anyone can apply to be a member of *Chorley* for competitive or non-competitive reasons.

There are 8 membership categories within *Chorley* and it is the membership category which determines the level of subscriptions members pay:

- 1. Junior membership under 11** – the minimum age is 5 at the discretion of the coaches and availability of sessions. There are restrictions on the sessions which the younger members can attend;
- 2. Junior membership 11 to 16** inclusive;
- 3. Concessionary membership** – for members 17 and over who are in full time education or unwaged;

- 4. Senior membership** – for members aged 17 and over who are not entitled to Concessionary, Honorary or Volunteer / Coaching membership subscription rates;
- 5. Second Claim membership** – for members aged 17 and over who run first claim for another club and are registered with England Athletics under that other club's name;
- 6. Honorary membership** – Honorary Life Membership may be conferred on any member by the membership at a vote at the AGM where they feel that such a member has earned this status by their support and contribution to the club;
- 7. Volunteer/Coaching membership** – for non-competing members who give significant time commitment to the club. Such membership is agreed on an individual basis by the Management Committee;
- 8. Family membership** - includes 2 adults and their children under the age of 17.
- 9. Junior second claim triathlon** – for members under 17 who are registered with England Athletics under another club but who train with Chorley for BTF activities i.e. swimming and/or cycling
- 10. Junior Associate** – for members aged under 17 who are registered with England Athletics under another club but who train with Chorley for UKA activities (e.g. T&F , throws)
- 11. Associate member from Chorley Cycle Club** - for any member of Chorley Cycling Club aged 17 or over who wishes to attend sessions at Chorley (note: for any competition for Chorley, they have to be a full member of Chorley)

A discount is available for Senior members joining at a late stage of the financial year as follows:-

New Senior members joining between October and end December will get a 30% discount. The reason that this is only offered to Seniors is that the full UKA fee still has to be paid to UKA and the discount must therefore be set at a value where the club does not sustain a loss. New members (in any category) joining between January and end March must pay full annual rate but will receive membership until the March of the following year (ie. if joined in January they would receive 15 months membership).

Members are responsible for:-

- **Completing a membership form annually.** All members need to complete and sign the membership form annually and for members under 17, their membership form has to be signed by the parent/guardian. There is a requirement on the applicant, parent or guardian to:-
 - Disclose all health related matters and any other relevant conditions and, on acceptance into the club, for the members to be open with other members if they require support with their health issues.
 - Keep all the details up to date by notifying the Membership Secretary of any changes. This will ensure that the membership list is up to date for the safety and protection of members.
 - Complete and sign a WADA (World Athletic Drug Association) form to disclose any prescribed medication being taken. The form is available from UKA or via the Membership Secretary.

The membership data collected is retained securely and used by the club in accordance with the Data Protection Act 1998 (including any subsequent amendments). This includes medical and other relevant information required to accord with increasing Health & Safety regulations for the benefit and wellbeing of all club members. It is the duty of all members to keep the club informed of any changes.

- **Paying their subscriptions** as determined at the Annual General Meeting of the members. Prompt payment is necessary because:-
 - Only fully paid up members of 17 or over will be eligible to vote.
 - Any member not paying his/her subscription before the 15th June in the relevant year shall be deemed to have resigned and to have forfeited all rights and privileges of membership.
- **Abiding by the rules of *Chorley***. Any member in breach of the club constitution may be called before the Committee and disciplined. The Committee decision in such matters is final. The Committee shall use the disciplinary procedure adopted by the relevant governing body such as the British Triathlon Federation (BTF) or UK Athletics.

Competition. All competing members must always compete in their age categories as defined by the Governing Body of each race. These vary over disciplines and terrains.

Waiting lists. When a waiting list is in operation (eg. in the junior membership categories) and there has been no contact with the club or coach for 8 consecutive weeks then this member could, depending on the circumstances, lose their training group slot and this position could be offered to the next on the list. The athlete who has been substituted out would remain a Club member and could compete for the Club as long as their subscription remains paid. They may also reapply to the waiting list if they desire.

6 Annual General Meeting

The Annual General Meeting is held each year before the end of May to:-

- a) receive the Annual Reports of the Management Committee and Officers;
- b) receive the Statement of Accounts and Balance Sheet of *Chorley*;
- c) elect a person to examine the annual accounts for the following year e.g. the AGM for 12/13 in 2013, will determine the auditors for the 13/14 accounts;
- d) elect the members to serve on the Management Committee, Finance Committee and Officers for the ensuing year;
- e) consider any amendments to the Constitution which require 14 days' notice to the members before the AGM. Amendments agreed will be enacted with immediate effect unless there are compelling reasons otherwise, in which case the AGM will agree the date of effect;
- f) set subscriptions for the financial year after the year just started e.g. the AGM for 12/13 in 2013, will set subs for 14/15. In exceptional cases, where events have occurred such that the fees may need to be increased (e.g. an increase in the UKA contributions), then the committee would propose a solution for agreement by members which may result in the need to call an EGM.

7 Dissolution of *Chorley*

Should an AGM or EGM ever pass a resolution to wind up *Chorley* then the final assets (value remaining on the Balance Sheet) plus all other unvalued club equipment and belongings must be donated to another non profit making athletic organisation or club chosen by the remaining paid up members at that meeting.

8 Non Payment of Subscriptions or Other Dues

In accordance with National Governing Bodies, the Committee shall have the power to expel any member whose subscription and other dues are six months in arrears, providing that one month's notice in writing shall have been sent to that member.

9 Resignations

Any competing member over the age of 14 who has been registered with UKA wishing to resign must do so in writing addressed to the Secretary. The resignation will be considered by the Committee within one calendar month of receipt and will be held as effective on the date of tendering. If a resigning member has not paid his or her subscription and other dues, acceptance will be withheld until the debt has been discharged, and the member will not therefore be able to register membership with another athletic club. The appropriate authority (UKA) will be informed of any such changes to the membership of *Chorley* in accordance with the rules by completion of the required paperwork.

10 Extraordinary General Meeting

An EGM shall be called by the Secretary within one month of the receipt of a requisition signed by at least 4 members stating the purpose of the meeting. At least 14 days notice shall be given to all members of the date, venue and purpose of an EGM. No other business shall be conducted at such a meeting. Any decisions / actions called for may only be considered passed by a 75% majority of those present, paid up and voting (>16) members irrespective of the time of year.

11 Amendments to this Constitution

Any changes to this Constitution can only be made through an Annual General Meeting or EGM and then only by at least 75% majority of those present and voting. Any proposed change to a Constitution Rule by a member must be received at least 14 days prior to the date of the Annual General Meeting.

- Vulnerable children under 18 who, because of disability, age or illness are unable to protect themselves from harm or from being exploited.
- Vulnerable adults over 18 who, because of disability, age or illness are unable to protect themselves from harm or from being exploited.

There are a number of ways in which vulnerable children and adults may be mistreated, harmed or distressed, some less obvious than others. Indicators include:-

- **Physical Abuse** - Including hitting, slapping, misuse of medication, undue restraint or inappropriate pressure to compete or train.
- **Sexual Abuse** - Including rape and sexual assault or sexual acts to which children or vulnerable adults have not or could not consent and/or were put under pressure to consent.

- **Racially Motivated Abuse** - Can take any of the above forms.
- **Stranger Abuse** - A vulnerable child or adult may be abused by someone who they do not know, such as a stranger, a member of the public or a person who deliberately targets vulnerable people in order to exploit them.

Abuse can happen anywhere including their homes, hospitals, care homes, day centres, colleges, supported housing, work, in public e.g. coaching sessions, competition. Although the person responsible for the abuse is often known to the vulnerable child or adult, anyone can be an abuser e.g. volunteers, relatives, friends neighbours, other athletes, coaches, occasional visitors or someone providing a service whilst the vulnerable person is training or competing.

- c) will resist, challenge and where necessary use all legal powers to safeguard all vulnerable children and adults;
