Summary of Rule 14 - Mid Lancs Track & Field League Rules 2015

Each club must provide officials as follows: -

‘A’ size clubs – 5 officials, 2 of which must be graded to a minimum of level 2.

‘B’ size clubs – 4 officials, 2 of which must be graded to a minimum of level 2

‘C’ size clubs – 3 officials, 1 of which must be graded to a minimum of level 2.

‘D’ size clubs – 2 officials, 1 of which must be graded to a minimum of level 2.

‘E’ size clubs – no officials required.

Where a club is required to provide 2 graded officials, at least 1 should be graded in a track discipline.

The club sizes will be reviewed each year and advised at the annual T & F fixtures meeting.

The basis of the calculation to determine club size will be the number of participating athletes in the previous 2 seasons.

A schedule of field event duties for the forthcoming season will be advised at the T & F Fixture Meeting and the Team Managers before the first meeting by the Track & Field Secretary.

Officials must report to the officials’ secretary at least 30 minutes before the first event.

If a club fails to provide the necessary officials, a fine will be imposed on that club, £30 for each missing graded official and £10 for each missing ungraded official. The fine will only be levied if the rule is broken at more than 1 of the 6 meetings.

At league meetings, 15 points will be added to the team score if the requirement to provide officials is fully met.

Any fines to Clubs as shown in Rule 14 will be levied based on the information provided on this form.
